

Dear Parents,

Welcome to the *EZ Re-enrollment* process at Chapel Hill Christian School!

The 2009/2010 school year is already half over. We are praising God for His wonderful blessings on our school this year. We truly serve an awesome God! It is time to begin planning for 2010/2011 and what an exciting year it is going to be!

Chapel Hill Christian School's Administration and Board have spent many hours reviewing our tuition, fees and programs. As you are aware, Chapel Hill Christian School lowered tuition several years ago, froze it for one year, and raised tuition by a minimal amount for the 2009-2010 school year. This has been a challenging task as our operating expenses continue to increase at a rate higher than our revenue.

However, through great teamwork and a strong focus on good stewardship, the Lord continues to bless our efforts at CHCS in ways we thought would be impossible! Our donations, fundraisers, and your volunteer hours continue to be very strong which helps keep tuition down. We remain debt free and feel that the Lord is leading us to raise tuition by only a minimal amount for 2010-2011.

Tuition for the new school year will increase only 1% for grades Preschool-3rd and .02% for grades 4th-6th. The re-enrollment fee is increasing by \$15. This increased enrollment fee is necessary as costs for student insurance, yearbooks, field trip transportation, library books, and technology have increased significantly.

We continue to offer the highest quality Christ-centered academic program in the Akron area, while making it accessible to all income levels. Our commitment is to provide your student with a challenging, nurturing and safe environment where he/she can learn to soar academically, spiritually, and socially. We praise God for His provision for our school – and for the opportunity to work with your child.

Chapel Hill Christian School offers one of the best, biblically-based academic experiences in the region. If you know of other families who might benefit from the CHCS experience, please take advantage of our *Each One Reach One* referral program and our *Smart Card* programs. By using these programs, you can actually reduce your 2010-2011 tuition payments! The *Smart Card* program has been re-designed and is now administered internally through CHCS. As a result, many families are increasing their tuition credits on a regular basis. Our leadership team is consistently exploring new opportunities to assist CHCS families with tuition costs.

Enclosed you will find all of the information you need to re-enroll your student for next year (*Enrollment Verification Report, Health History Update, Emergency Contact and Medical Form, Clinic Information Card, One Call Now Form, Bus and Transportation Form, Giving Beyond Tuition* brochure, and the *2010-2011 school calendar*).
