CHAPEL HILL CHRISTIAN SCHOOL

NORTH CAMPUS  
1090 Howe Ave.  
Cuyahoga Falls, OH 44221

*From the Principal's*

*Here we are at the start of 2010! If you are like me, the holidays have done their usual damage on my waistline, and I am ready to make that traditional New Year's resolution to reduce my food intake. It's that time of year when we all stop for a moment and take stock of our lives. What's good? What's in need of change? How can I make things better? Then, we come up with a plan to make the change.*

*Goal setting is an important life skill that we need to teach our children. As you are making your resolutions, take some time and help your children to do the same. Maybe they need to be kinder to their siblings or more responsible for their homework. Perhaps they need to obey more promptly or to remember to be more regular with their personal devotion time. Whatever they resolve to do, help them to develop a plan and then be their accountability partner so that they don't forget about things after a week or two. Research shows that it takes at least 42 repetitions for an action to become a habit.*

*Most importantly, all of us need to resolve to know Jesus better. In Ephesians 3:17-19, the Apostle Paul says, "I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge - that you may be filled to the measure of all the fullness of God."*

*Happy New Year! May 2010 be a year that you fall more deeply in love with Jesus Christ.*

## Verse of the Week

*Praise the Lord, O my soul, I will praise the Lord all my life, I will sing praise to my God as long as I live. Ps. 146:2*
