CHAPEL HILL CHRISTIAN SCHOOL

NORTH CAMPUS
1090 Howe Ave.
Cuyahoga Falls, OH 44221

From the Principal's

Luke 13:6-8 gives us some important instruction about second chances and patience. In this parable, Jesus tells about a man who had planted a fig tree in his vineyard. For three years, he watched and waited in vain for fruit to appear. Out of patience with the tree, he told his gardener to cut it down. But, the gardener begged for him to give the tree one more year. He promised to fertilize it and tend it carefully. If it still did not bear fruit after that, he would do what his master demanded.

There are times when we expect things from others – even ourselves. We want our children to do better in school. We want our spouses to change their behavior in some way. We are frustrated with ourselves for making the same mistakes over and over again. Sometimes, people just need a little more time and a little more nurturing. They'll come around. They just need some extra patience and understanding.

I am so grateful that Jesus never gives up on any of us. He'll keep tilling the soil of our lives, nurturing our souls with His love and His Word, until finally we come around and bear the fruit He so desires. Are you just about ready to "chop down a fig tree"? Has someone taken you to the point of total frustration? Instead of getting pulling out your axe (figuratively speaking), why not try a little nurturing? Try some kindness and love. You might just be surprised with a little fig!

Praise the Lord, all you nations; extol Him, all you peoples. For great is His love toward us, and the faithfulness of the Lord lasts forever.
