CHAPEL HILL CHRISTIAN SCHOOL
January 20, 2009

NORTH CAMPUS
1090 Howe Ave.
Cuyahoga Falls, OH 44221

From The Principal's

Every time I hear or read the words to Dr. M. L. King's "I Have a Dream" speech, I am inspired. I think it is so appropriate that the day we inaugurate our first African-American president is so close to the day we celebrate Dr. King's life. I think he would be so proud of where we have come as a nation. While his dream for America has not been fully realized, we are many steps closer than we were when he gave that momentous address.

Our new president has a huge job with high, high, high expectations. Regardless of our political view, each of us has a responsibility as a Christian and as a citizen to blanket President Obama in prayer. As we enter a new era, let us pray that God will lead and guide our nation back to Him. Let us pray that our president and government will be composed of men and women who will have the courage to stand up for what is right in God's eyes. May each of us remember God's promise in 22 Chron. 7:14, "If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."

Verse of the Week

*The earth is the Lord's and everything in it, the
world, and all who live in it.*
