CHAPEL HILL CHRISTIAN SCHOOL

NORTH CAMPUS  
1090 Howe Ave.  
Cuyahoga Falls, OH 44221

*From the Principal's*

In his book, Handoff, Jeff Myers says, "You and I were not sent here to start the race, but to run our lap flat out - to leave it all on the track. Furthermore, our finishing of the race gives meaning to all of those who have run before." In Chapt. 11 of Hebrews, we find the "Hall of Faith" where the lives of men and women of great faith are celebrated. It tells of great deeds, of horrible tortures, all endured out of faith. The story ends with "Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us . . . (Heb. 12:1)." Can you imagine it? All of the great heroes of the faith are counting on US! They are cheering for YOU!!

During the month of February, we celebrate the contributions African-American men and women have made to our government, our society and our culture. Many gave their lives before they saw the fruit of their efforts. However, I know that Martin Luther King is hollering, "Hey! Don't give up! You're almost to the finish line! Keep running. I had a dream. Make it come true!" Maybe Thurgood Marshall is up there too. "Don't quit!" he yells from the stands. "You have no idea how hard it was for me to make it from my humble beginnings all the way to the Supreme Court. Nothing is impossible with God! Keep running!"

The voices come from all quarters. A great cloud of witnesses, all on their feet, watching as we carrying on their legacy, their fight. Our lives become significant in the light of all the others who have lived. It does not matter the color of our skin or who our parents were. It should be our mission to take our place at the finish line with all of the truly greats. And someday, we will hear those words from Jesus Himself, "Well done, good and faithful servant! Enter into my joy."

**Did You Know**  
 By Mr. McAbee

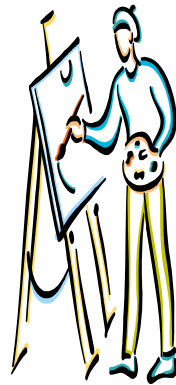

CHCS continues to explore opportunities to expand our academic programs to include 7<sup>th</sup> & 8<sup>th</sup> grade. Please continue to pray that God would reveal His plan and timing for a CHCS Middle School.

At this time, the 2010-2011 school year will not include a middle school at CHCS, but our constituents continue to ask for it so we will continue to explore it for the future!
