## From The Principal's

*The other morning, I was opening car doors for students as they arrived. One of my precious little PreKindergarteners handed me a "note" she had written. It was filled with her PreK attempt at writing words, scribbles of different lengths filled the page. "Oh, Sweetheart, how nice that you wrote me a note! What does it say?" I asked. She thought for a second and then matter-of-factly said, "You can read it."*

*Life sometimes hands us "notes" that we can't read. Situations come up that we don't understand. Relationships blow up, and we can't figure out why. Sometimes, things are just perplexing. We can look at the circumstances and try our hardest to decipher why, how long, and what's next. But, try as we might, we just can't make sense of it all.*

*We, as believers in Christ, don't have to remain in a state of confusion. We have a Heavenly Father that knows all, sees all, and has the answers. He tells us in James 1:5, "If any of you lacks wisdom, he should ask God, who gives generously to all without finding fault." Jeremiah 33:3 says, "Call to me and I will answer you and tell you great and unsearchable things you do not know."*

*In these crazy days, the unreadable notes are coming fast and furious for some of us. When they arrive, we can hand them to God and say, "Here, you can read it." And, He will.*

Verse of the Week  
Submit to one another out of  
reverence for Christ.
