CHAPEL HILL CHRISTIAN SCHOOL
From the Principal's

NORTH CAMPUS
1090 Howe Ave.
Cuyahoga Falls, OH

I love the words in Habukkuk 3:17-19:

*Though the fig tree does not bud and there are no grapes on the vines,
Though the olive crop fails and the fields produce no food,
Though there are no sheep in the pen and no cattle in the stalls,
Yet I will rejoice in the Lord, I will be joyful in God my Savior.
The Sovereign Lord is my strength,
He makes my feet like the feet of a deer,
He enables me to go on the heights.*

What wonderful faith this man had in God. He knew that even when life was at its bleakest point, God is still faithful, He is still Sovereign, and He is able to help us rise above the trials.

We live in a fallen world. Thus, everyone of us has struggles, disappointments, times when hope seems lost. However, we serve a God who loves us and wants us to experience His best.

Whatever you are walking through today, I hope you can find the same strength in your Lord that Habukkuk found 1,000s of years ago.

Verse of the Week

I pray that you, being rooted and established in love, may have the power to understand how wide and long and high and deep is the love of Christ.

This Week is National Turn Off Your TV Week

Do you know that we are a society of more TV's than people? Do you know that the average child spends 900 hours per year in school, yet over 1000 hours per year in front of the TV? Have you ever thought of turning off the TV and turning on the opportunities? If you would like a packet with facts and info about TV and your health, as well as ideas of how to cut back or things to do, please send in a note or email Mrs. Marchand.

Everyone Loves A Parade!

CHCS will be participating in the Cuyahoga Falls Memorial Day Parade on Monday, May 31. Watch for more information coming soon. Please save the date!

Character Trait of the Week

Self Control

Doing what is right even when I don't feel like it.

Galatians 5:25 says "If we live by the Spirit let us also walk in the Spirit."

Important Information From the Lunchroom

The Kitchen and Cafeteria Staff are not able to cook or heat any food items sent from home and packed in lunches. Please make sure all hot food items packed in your student's lunch are fully prepared and kept warm by means of a thermos or other suitable container.

Dress Code Reminder

We have noticed new styles of athletic shoes can come without laces and is a recent trend. All athletic shoes worn at CHCS must have shoelaces or Velcro. Please make sure your student does not wear any athletic shoes without shoelaces. We want them to be safe while at CHCS!

Children's Hospital ER Window Painting

CHCS - North 4th, 5th, and 6th graders have again had the privilege of being able to share their artistic gifts at Akron Children's Hospital. On April 7th, Silas Merkel, 6W, Kristen Huseman, 6R, Natalie Cochran, 5G, Hannah Krieder, 5K, Wes Gray, 4K, and Taylen Hamilton, 4G accompanied by Mrs. Norman and her niece, Rachel Chandler, guest art assistant for the week, painted the windows in the ER. The snowmen melted away to allow bright spring flowers to bloom. Children's does a wonderful job encouraging their young patients by making their environment as cheerful as possible. Everywhere in their facility, one can see artwork by children, from framed art on the walls, to murals done by art classes and art clubs, and now in rotating "murals" done on the windows by the artcorps from Chapel Hill Christian School! What a joy it is to be able to share the love of Jesus in this very tangible way, both with the people we meet while we are "on the job" and with the encouragement we leave when we are done.

Reminder

Payment for World Geography Day was due by April 20th. Extra forms are available in the information racks.
