Artist of The Week

Tayia Bryant
6R

Tayia has created a ceramic chalice using the coil method which recalls Medieval times beautifully through form and texture.

Attention all Artists of the Week

We will be mounting a retrospective of all of your beautiful work at this year's student art show. If you have taken your piece home, or if you have taken home the name tag to go with your art work, would you please bring it back so we may include your work in the special exhibit? You may drop it by the art room or give it to your teacher to put in my mailbox. Thank you!

Did You Know ?

By Mr. McAbee

Most Christian schools are members of the Association of Christian Schools International (ACSI). CHCS is actually accredited by ACSI and was one of the first schools in Ohio to receive this accreditation back in 1982. CHCS has many academic and organizational standards that have to be met on an annual basis in order to renew the accreditation. CHCS is chartered by the Ohio Department of Education in addition to the ACSI accreditation. Our next accreditation visit will be in Spring 2013. The CHCS Administrative team have just filed our Annual Report with ACSI for continued compliance.

May 1 – 7 is National Physical Education and Sport Week. Pick a day and see the benefits of spending some extra time exercising as a family!

Character Trait of the Week

Honesty

Being openly truthful because there is nothing to hide. Ephesians 4:25 says "Wherefore putting away lying, speak every man truth with his neighbor; for we are members one of another."

*The upcoming Fine Arts programs at CHCS is a great opportunity for current families to **Invite A Friend** to join us as we celebrate God's goodness through drama, instrumental and vocal music. Join us on Friday, May 14, at 7:00pm at Hudson Community Chapel.*
