CHAPEL HILL CHRISTIAN SCHOOL  
April 28, 2009

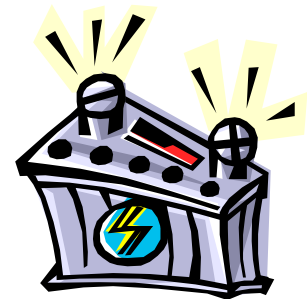

NORTH CAMPUS  
1090 Howe Ave.  
Cuyahoga Falls, OH 44221

*From The Principal's*

*Last week, I noticed that my car was having difficulty starting. Everyday, I had to turn that key just a little bit harder, wait just a tiny bit longer for the engine to turn over. Being the automotive savvy person that I am (ha!) I wasn't too alarmed at first. But, by Friday, even I was becoming concerned. By Sunday morning, my poor car was dead. Little by little, my battery had been leaking fluid until it could no longer work. My poor husband spent the afternoon replacing it.*

*It is so easy for us to go through our lives with leaky batteries. If we are not careful, we can sometimes get so low that we cannot function. We become short with our families and friends. Depression can set in. Stress and anxiety seem to rule the day. Even the smallest tasks seem monumental. Ever been there?*

*I am reminded in Isaiah 40:30 & 31 that everyone can become weary. But, God promises that "He gives strength to the weary and increases the power of the weak. . . Those who hope in the Lord will renew their strength." As we approach this very busy time of year, each of us must make sure that our batteries remain charged. We need to stay close to God. We need to stay in His word. We need to keep our focus on Him. We need to make sure our batteries are not leaking.*

## Achievement Testing
