CHAPEL HILL CHRISTIAN SCHOOL

From the Drincipal's

NORTH CAMPUS
1090 Howe Ave.
Cuyahoga Falls, OH

Our school emblem is a triangle. This is not just because it's a nice shape and looks good on the uniforms. The three sides of the triangle represent the home, the school and the church. At CHCS, we believe it takes all three of these institutions, working in harmony, to truly educate a child to become a Godly, productive member of our society. The other day I was talking to a new kindergarten mom, asking her how the year had gone. She smiled and commented what a blessing it is to have her child in a place where what is taught at school supports what is taught at home. There is consistency, a seamless transition between all three. When her child gets off the bus each day, she doesn't have to "un-do" what was done at school.

As this year comes to a close, we can all look back and reflect on what our children learned, how they grew academically, physically and spiritually. I am sure there were some failures. I know there were lots of successes. I hope that most of all that you can see that what your children learned at school was a continuation of the values and morals that you hold near and dear to each of your hearts. I hope that the word of God is going deep into their hearts and that they are becoming a little more like Jesus each day.

We are going to miss our students' smiling faces, their exuberance for life, and their enthusiasm for learning as they are gone for the summer. I trust that each of you find time over the break to rest and enjoy being together as a family. Please stay safe. We look forward to your return in the fall.

To our graduating 6th graders, we wish you all of God's blessings. As you begin a new chapter in your lives, may that CHCS triangle that you wore just about everyday remain a symbol of the importance of maintaining harmony between where you worship, where you learn and where you live.
