CHAPEL HILL CHRISTIAN SCHOOL
Sept. 29, 2009

NORTH CAMPUS
1090 Howe Ave.
Cuyahoga Falls, OH 44221

From the Principal's

There's an old Tennessee story of a man who visited a farmer friend. As they sat on the porch rocking back and forth, two of the farmer's dogs got into a fight. Startled, the visitor asked, "Aren't you going to stop them?"

"Nah, they'll stop soon enough. They fight all the time."

"Which one wins?" asked the visitor.

"Whichever one I feed the most," the farmer replied.

That's the thing about life – what we feed grows. It therefore becomes terribly important that we are "feeding" the right things. If we want our children to love God with all their heart, soul, and mind – we must encourage that in their lives. We must talk to them about God, what it means to love Him and live for Him. We need to be diligent to model for them what this means by reading His Word, attending church, praying with them and behaving in a Christ-like manner ourselves.

The values, personal qualities, habits and attitudes we "feed" – emphasize, encourage, reward, model, discuss, establish as important – are the ones that will take root and grow in our children. Just as we are intentional about making sure our children are receiving proper nutrition to grow physically, we have an even greater responsibility to make sure they are growing habits, attitudes and spiritual qualities that reflect the nature and attitudes of Jesus Christ.

What a big responsibility! What a blessing to know we have a big God who can help us!

Special Speaker in the Art Room!

We were blessed by a very special speaker in the art room last week! Seth Grizzle, Mrs. Grizzle's son, and CHCS grad., was home from Seattle for a few days. He is an architect by trade and an inventor by God's design. He graciously shared some of his wit, wisdom, and design handiwork with the 5th and 6th grade classes. His lighting and furniture designs from recycled cardboard can be viewed at his website, www.graypants.com. The kids were a very respectful and interested audience. Thank you Seth for inspiring our kids with your unique insight and interesting career path! You are an example of praising God in all you do.
