CHAPEL HILL CHRISTIAN SCHOOL
October 21, 2008

NORTH CAMPUS
1090 Howe Ave.
Cuyahoga Falls, OH 44221

From the Principal's

Our theme, Serving God, Serving Others, was certainly lived out during Open House! What a joy to see students serving others at the 6th grade café or as the 5th graders walked around the building providing popcorn and treats! How blessed we are to have parents willing to serve others in our HOPE committee, baking, pricing and selling goodies! What great dads we have who were willing to stay late and help clean up after everyone else went home!

As I walk through the hallways of our school, I see volunteers, teachers and parents working hard to serve others every day. You know that wonderful Student Directory you received? Three wonderful moms put those together for us - serving God by serving others. A policeman was in our kindergarten talking to our little ones about safety - serving God by serving others.

As I watch older children helping with the little ones, teachers staying in during their breaks and after school tutoring students, moms and dads opening car doors in the morning, custodians mopping up the cafeteria day after day, I am reminded of just how much we do to serve others. It is my earnest prayer that Chapel Hill Christian School will be an example to the world around us of just what it means to be an authentic Christian community comprised of people who are willing to give of themselves to make life a little better for others. May we put feet to Paul's words in Colossians 3:23 & 24, "Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving."
