

Market Day

You will not want to miss this wonderful food co-op! The food is great and the shopping is convenient.

Order forms are sent home with the students, which list the items offered that month with full descriptions and many photos of the items.

Simply complete the form and return it to the office along with your check or you may order it C.O.D. and pay by cash or check on pick up day.

An even easier way to order is online at www.MarketDay.com You can pay by credit/debit online or C.O.D. and again only cash or check will be accepted on pick up day. The site allows you to view color photos of all the items for that month as well as any clearance items available.

The site also offers **recipe ideas** for the products and the **nutritional information** so you will know before you purchase in case of food allergies or diet restrictions.

This school year all of the net profits from Market Day will be donated to the carpet fund.

Chapel Hill Christian School Green Campus

**Thank You for Helping Our
School !**

**Your participation really
does make a difference!**

*Raising
Money For
CHCS -
as EASY as
Shopping*

Virtually effortless ways you can help
Chapel Hill Christian School
raise money

We're excited to be participating once again in the Campbell's Labels for Education™ program.

We will be collecting UPC's and caps from eligible products and then redeeming them for educational supplies and equipment. Most are worth 1 point, but select products are worth 5 points.

A number of products don't carry the Campbell's® name and yet they are still eligible for the program: Franco-American®, Pepperidge Farms®, Swanson®, Prego®, V-8®, and Market Day® (select items).

This year our goal is to collect 7500 points in order to receive gym equipment.

Visit the website www.labelsforeducation.com for a complete list of eligible products and track our school's progress.

We are excited to be participating once again in the General Mills Box Tops for Education™ program. This program has allowed the teachers to purchase book, games, puzzles, and a variety of other things for their classrooms.

Box Tops logos can be found on all General Mills® cereals, Betty Crocker® Products, Yoplait® Yogurt, and many more items.

This year our goal is to earn \$1000.

Visit the website www.boxtops4education.com for a complete list of eligible products and track our school's progress.

ACME

Fresh Market

Community Cash Back Program

Earn 5% for CHCS when you purchase the following brands:

- Top Crest Food Club
- Domestix Top Care
- Acme Paws Premium
- Dining In Food Club
- Valu Time

Simply save your register receipts and circle the portion at the bottom that lists the amount earned. Then turn them in to your child's teacher to be processed and the school will receive a check for 5% of the tallied amounts.

In the past, the school has been able to earn enough to purchase a computer, printer, software, and \$2,500 in cash.

Help us by sending in your receipts so that we can earn \$500.00 this year.

All of these programs can only work with group participation. Even if you are not able to participate yourself, you may know someone else who is able and willing to contribute to CHCS in this way. Every little bit helps and the money is used for activities for student and teacher needs that arise through-out the year not within the budget.

Giant Eagle

Apples for the Students

This program does not require you to send in receipts, but you do need to verify that your card is registered. Visit www.GiantEagle.com to register your Giant Eagle advantage card and help Chapel Hill Christian School earn points every time you shop.

Target

Take Charge of Education

Target will donate 1% of your purchases at Target and Target.com and 1/2% of purchases made everywhere else with your Target® Visa®. The funds received can be used for playgrounds, books and more. Checks are sent twice a year in March and September to the school principal. It is easy to enroll, simply log onto the website www.target.com and select Chapel Hill Christian School South (School ID# 19077). You can also track the school's progress through the site.

Land's End

Because our school is a Preferred School—one that agrees to include Lands' End School Uniforms as an optional clothing provider—they will contribute 3% of every qualified purchase back to Chapel Hill Christian School. If you place an order through Land's End be sure to mention that your child goes to CHCS.
