Dear CHCS Families,

Lately as I sit down to read the Bible or open a devotional, I pray that the Lord shares His wisdom and guidance with me. I know that is what our prayer should always be, but I admit that many times I have simply read out of commitment and not necessarily always with a quiet, seeking heart. However, because the Lord uses trials and difficulties in our lives to draw us closer to Him, I find myself being still more often, and conversing with the Lord more clearly. Yesterday I prayed that the Lord inspire me with words to share in this Horizon article. I opened my Bible to the New Testament and began to read. I came across a devotional containing this poem that I believe is timely and beautiful and it is exactly what I would like to share today.

*Our Father knows what's best for us, so why should we complain?  
We always want the sunshine, but He knows there must be rain.  
We love the sound of laughter and the merriment of cheer,  
But our hearts would lose their tenderness if we never shed a tear.  
For growing trees are strengthened when they withstand the storm,  
And the sharp cut of the chisel gives the diamond grace and form.  
God never hurts us needlessly, and he never wastes our pain,  
For every loss He sends to us is followed by rich gain.  
And when we count the blessings that God so freely sent,  
We'll find no cause for murmuring, and no time to lament  
For our Father loves his children, and to Him all things are plain,  
So he never sends us pleasure when the soul's deep need is pain.  
So whenever we are troubled, and when everything goes wrong,  
We know God's working in our hearts, to make our spirit strong.*
