GREEN CAMPUS

*From Mr. McAbee*

Dear CHCS Families,

## DID YOU HEAR THE GOOD NEWS?

In a time when all we seem to hear about is our failing economy and the media giving us bad news, I believe as Christians we must stand up and focus on *building up*. CHCS needs to be a place that encourages the positive. We are aware that there is no perfect school, teacher, Principal, Administrator, student, or parent. With that said, there is a lot of good news to share about what is going on at CHCS.

Here are a few things we need to *praise* God for:

- Students are trusting Jesus Christ as their Personal Savior at both schools.
- Students are living out the theme of *Serving God and Serving Others* by their words and actions.
- Students are excelling in academic areas with outstanding results in *Rocket Math* and *Victory Drill book*.
- 36 students represented CHCS - Green at the ACSI Speech Meet and had extraordinary results.
- Mission and outreach projects continue to grow and bless others.
- CHCS Green will be implementing the *Accelerated Reader* program next year.
- CHCS has 4 teachers currently pursuing their Masters degree.
- CHCS is debt free.
- CHCS - Green had a record high re-enrollment this year.
- CHCS - Green has record high student applications for 2009-2010.
- CHCS implemented a new lunch program that has been well received by our students and meets nutritional guidelines.
- CHCS has internalized the TRIP program (now called CHCS SMART Cards) so that families will get higher tuition credits.
- CHCS is exploring the addition of a middle school to the current program.

The *Leadership Team* is always focused on making everyone's experience at CHCS a positive one but this is no easy task. I would ask that we focus on *building up* and praying. Let's avoid getting caught up in things that really don't matter to God and when you need something to praise God about look at the list above. Let's surround ourselves with positive people who will commit to praying for our school. CHCS is in great hands! It is in the hands of God. The best days are ahead for us. Thanks for entrusting your students to CHCS!

Romans 14:19: "So then let us pursue the things which make for peace and the building up of one another."

Praising Him for His Goodness,  
Greg McAbee

## To keep you informed!

- The CHCS school van (generously donated by the Crocker family) is not available for student transportation. This is based on laws outlining student transportation.
- The many publications CHCS does in color are generously donated by local businesses.
- We have had a great response regarding our new *Family Business Directory* to be printed soon. Families will have a resource guide to use as needed. We respectfully ask that any business transactions be conducted off campus.
