CHAPEL HILL CHRISTIAN SCHOOL
April 9, 2008

GREEN CAMPUS
946 E. Turkeyfoot Lake Road
Akron, Ohio 44312

From the Principal's

Dear CHCS Families,

I am often complimenting our students at Chapel Hill Christian School – and rightfully so. Our students are by no means perfect. However, I am so pleased with manners expressed, kindness shown and words of encouragement from one student to another. I can truly say I love our students at CHCS!

There is another group I have grown to love, as well. That group is YOU. That's right – YOU! I couldn't ask for better parents, grandparents and even a few aunts and uncles thrown in the mix. Your support of our mission here at CHCS is such a blessing! When we need your support, your friendship, your business expertise, whatever it may be – you are there. We know you are standing with us as we work alongside you to train up your children in the way they should go. You really help us in this ministry.

On a personal note, just last week I became ill for a brief time after giving blood. There was a handful of parents who never left my side until my strength returned. I felt overwhelmed with the outpouring of concern toward me. Though I do not deserve it, I will ever be grateful. It once again reinforced to me that I work among some mighty special servants of our Lord. You are daily blessings to me. Thank you.

"A new commandment I give to you, that you love one another; as I have loved you, that you also love one another." - John 13:34

Sincerely, in Christ,
Linda Plum, Principal

ON WINGS LIKE EAGLES

If you need encouragement during the day (and who doesn't from time to time?), go to the CHCS website (www.gotwings.org) to hear our new school theme song, *On Wings Like Eagles!* It was written by the mother and an aunt of a CHCS graduate, and we've been given the rights to use the song. It goes beautifully with our school verse - Isaiah 40: 30, 31. Listen and be blessed!

Please join us for Moms In Touch each Tuesday at 9 a.m. to pray for our children and our school!

God's Leading
Wake up and smell the coffee
(A frozen latte, please -
One blended up with ice and milk,
Lowfat and sugar-free).
But wait, it seems I do digress -
This wasn't meant to be
A tribute to my long-time pal,
The decaf coffee bean!
I wanted to suggest that we
Be vigilant, alert
To any opportunity
When someone's sad or hurt -
To show God's love in little ways
(And big ways now and then) -
When knowing, "What would Jesus do?"
Means being someone's friend.
Ask God to gently lead you,
To make you more aware
Of how you might lend comfort to
A soul who's near despair
Or burdened with some unseen load,
For God knows how they feel -
He often uses human hands
To touch, refresh and heal.
- P. Burk
