

Bus & Car Transportation Information

ALL families must return the bottom portion of this form by July 13, 2009.

Children riding public school buses TO CHCS, please note the following:

1. **Akron buses-** CHCS office **will call you** in late August with bus numbers, stop locations and pick-up / drop off times. Akron Public School District will **NOT** bus Pre-Kindergarten children, regardless of age. Please do not call Akron Public transportation department as they are busy making arrangements for your student!
2. **Cuyahoga Falls, Stow, Tallmadge, and Woodridge buses:** You will need to call the individual transportation departments in your district to confirm your need for transportation and receive your pick up and/or drop off times and location. Cuyahoga Falls is the **ONLY** district that will bus Pre-Kindergarten children.

Please note: currently there is no busing available for Pre-School students.

It is your responsibility to return the bottom portion of this form to CHCS by Monday, July 13, 2009, regardless of transportation arrangements from previous years. If we do not hear from you by this date, you risk your child not having public school transportation this year. If you request PM transportation, your student WILL BE PLACED ON THE BUS home starting the first day of school.

Please detach and fill out the bottom portion of this form, place a stamp on the reverse side, fold and tape postcard and return to CHCS by July 13.

Thank you for your promptness.
