Spiritual Lessons We Are Learning

1. You need to learn to be obedient to authority before you can become a good leader of others.
2. David is a good example of one who was obedient in all circumstances and became a good leader because of his obedience.
3. God allows trials in our lives to teach us lessons we will need to know in the future.
4. We must learn to be patient and wait for God's timing in all things.
