Lesson Aim #23
February 6-10, 2012

States and Capitals

We are off to learning the first 10 States, Capitals and Abbreviations in alphabetical order. Each week your child will be given the new states, capitals and abbreviations on Thursday and take the test the following Wednesday. We have many fun ways of learning the states, capitals and abbreviations: silly songs, U.S. white boards, flash cards, a wrap around, puzzles, matching game and more. ☺

After-School Fundraiser

We will provide snacks and a dinner option on Tuesday, Thursday, and Friday the week of February 13-17th. I am still in need of a parent and a student volunteer on Tuesday, February 14 from 4:30-6:00. Thank you.

Valentine's Day

Our party will be Tuesday, February 14th. I am trying to think of a simple way to celebrate... nothing has come to me yet. ☺ If you have any suggestions or ideas, please let me know. We will decorate bags on Monday, Feb. 13 for Valentine's. If your child would like to participate in passing out Valentine's, please make sure to include every student.
