

Our Core Values

Christ-Centered Education based on the authority of the Word of God and the supremacy of Christ

- All truth is God's truth
- The full extent of our curriculum, as well as all of life, is viewed through the lens of God's revealed Word
- Each child is a unique creation of God to be valued and nurtured to reach his/her full potential

Home, Church, and School partnering to educate the whole child in a God-honoring community

- Parents who acknowledge Jesus Christ as their Lord and Savior, and who share biblical values
- We are a school community that genuinely cares for one another. We are committed to creating a distinctively caring academic community where people come alongside one another with support, encouragement, accountability, and grace
- We support the local and global Church of Jesus Christ through our presence, giving, and prayer

Culture of Excellence

- An academically rigorous experience in a Christian environment
- Christ-honoring excellence in programs, curriculum, and instructional design
- Continuous improvement in academic achievement and school facilities

Spiritual Formation

- Learning to love God and each other
- Sharing the Good News about Jesus Christ in our community and around the world
- Learning to study, understand, share, and memorize God's Word, the Bible, so we can rightfully discern the culture and be a light for Jesus Christ

Admission Process

Answers to Financial FAQ's

What is the FACTS Program?

CHCS uses the FACTS Tuition Management Program to handle our monthly payment plans (11x, 10x, 4x, 2x). FACTS is the largest service provider in the industry serving schools in all 50 states. They have been in business since 1986 and specialize in working with schools like ours.

If you pay your tuition through FACTS Tuition Management, you can check on the status of your account, the schedule of payments still to be made, a listing of those payments already made, and a complete listing of all account activity. If you would like more information about the company, feel free to visit their website at www.factsmgt.com.

Will you send me a bill each month if I'm participating in the FACTS plan?

No. Your bank statement will show the amount withdrawn each month from your account. The contract you sign at the time of enrollment will indicate your monthly payment and date of withdrawal. You will receive a copy of this agreement.

Transportation

Many area school districts offer busing to both North and South CHCS locations. Please contact our North or South Office for specific details.

If your public school district does NOT provide transportation, you may be entitled to a payment from the district in lieu of busing. *Ask your school district about this.*

Carpooling

Many of our students share rides in carpools. You may contact the school office for a zip code list of students who live in your area. This will assist you in exploring the interest in carpooling among these families.

Our Mission

Love... Learn... Launch... Christ's greatest commandment (Mark 12:30-31) for Christ's Great Commission (Matthew 28:18-20)

Our Vision

Chapel Hill Christian School, in partnership with the home and the Church, exists to inspire students to love God and love one another, to reach their highest potential academically, spiritually, socially, and physically, and to be launched into God's designed future with the skills and spiritual maturity necessary to experience success. Our vision is to create an environment where their God-given uniqueness is celebrated, and they are taught to value a passionate commitment to academic excellence, Biblical worldview, and service for Christ.

When and how do I apply for financial aid from CHCS?

As soon as you have applied or re-enrolled, you should request a financial aid packet from the Business Office.

Do I have to apply for financial aid every year?

Yes. Circumstances may change during a school year, so we must obtain new information each year to make the proper determination of financial assistance.

Are there other circumstances involved with keeping financial aid?

Yes. Children receiving financial aid must maintain a "C" average and a "satisfactory" in behavior each quarter and parents' accounts must be current.

Are there other ways to reduce my tuition?

The TRIP program offers our current and prospective families an opportunity to save money toward tuition costs. How? By purchasing certificates and gift cards for grocery stores, gas stations, department stores, and restaurants. Businesses involved give a percentage back to the TRIP program, a portion of which will be credited to your tuition balance. Through TRIP you can reduce your tuition expense while purchasing things you normally use every day.
